Headline:
Sunshine and blustery showers. Windy and feeling cold.

Today:
Showers this morning, then many places dry this afternoon as the showers become isolated. The showers will be often heavy and blustery, with a chance of hail and thunder. Sunny spells in-between, but still feeling cold with the windy conditions. Maximum temperature 10 deg C (50 deg F).

Tonight:
Windy, with occasional gales developing along the coast. Clear spells and isolated showers initially and again late tonight, with cloudier conditions and spells of often heavy, perhaps thundery, rain in-between. Minimum temperature 2 deg C (36 deg F).

Saturday:
Windy and feeling cold, with isolated showers and often large amounts of cloud, but also some sunny spells. Becoming cloudy in the evening with more widespread showers. Maximum temperature 9 deg C (48 deg F).

Outlook for Sunday to Tuesday:
Sunday windy with sunny intervals and scattered showers. Monday the wind eases as residual showers gradually die away. Tuesday mostly cloudy with patchy light rain spreading east. Becoming slightly milder.
